Re: LCP Chemicals, Inc. Superfund Site
Linden, Union County, New Jersey

Dear Mr. Sundram:

Pursuant to my letter of March 5, 1999, transmitting E. I. du Pont de Nemours and Company's ("DuPont") response to the Request for Information for the LCP Chemicals, Inc. Superfund Site in Linden, New Jersey (the "Site"), I am writing to provide additional information regarding DuPont's alleged ownership and operation of the Site.

On December 1, 1928, the Grasselli Chemical Company (Ohio) ("Grasselli Ohio") sold a majority of its assets to DuPont. At the same time, Grasselli Ohio reserved certain assets for transfer to the Grasselli Dyestuffs Corporation ("Grasselli Dyestuffs"), which was both a joint venture of Grasselli Ohio and the Bayer Company and a subsidiary of Germany's I. G. Farbenindustrie ("I. G. Farben"). In this manner, DuPont acquired title to two sections of land partially underlying the Site (the "Western Property" and the "Eastern Property"), and I. G. Farben, which assumed sole ownership of Grasselli Dyestuffs, came to own much of the remainder of the Site's land.

After obtaining title from Grasselli Ohio, DuPont immediately transferred the Western Property and the Eastern Property, as well as the other Grasselli Ohio assets, to its wholly owned subsidiary, The Grasselli Chemical Company (Delaware). However, DuPont's Grasselli subsidiary apparently did not conduct any operations on either the Western Property or the Eastern Property and dissolved in 1936. At that time, the Grasselli Chemicals Department of

DuPont assumed ownership of the Grasselli subsidiary's assets, and thus, on October 31, 1936, DuPont reacquired title to the Western Property and the Eastern Property.

No evidence exists to suggest that DuPont operated on any portion of the Site following the 1936 transfer. Indeed, relevant documents, photographs, and site maps indicate that no operations and no disposal took place on either the Western Property or the Eastern Property during the period of DuPont's ownership.

The Western Property

An April 1, 1949, DuPont memorandum refers to the Western Property as a "long narrow strip of land of irregular shape, approximately 150 feet wide and containing approximately 12.8 acres, lying between the General Aniline¹ property and the railroad yards of the Central Railroad of New Jersey"; it is outlined in blue and designated as "Parcel, DuPont to G.A.F., 9-15-49, D.B. 1776 Pg. 7" on Exhibit A. As also shown on Exhibit A, that portion of the Western Property within the red-outlined lots is within the boundaries of the Site. However, the evidence suggests that no operations and no disposal took place on any part of the Western Property prior to DuPont's sale of that parcel to General Aniline & Film Corporation ("GAF") on September 15, 1949. That evidence includes:

- The April 1, 1949, DuPont memorandum mentioned above, which states that the Western Property was intended "for the establishment of a railroad classification yard" that "was never established";
- an April 6, 1949, resolution of the DuPont Executive Committee, which describes the Western Property as "idle land";
- the aerial photography attached as Exhibit B, which shows no development in the area of the Western Property in 1944;
- USEPA Region II's own August 12, 1996, Removal Site Evaluation for the Site, which states that "GAF had produced chlorine and sodium hydroxide at this location since 1952," three years after DuPont sold the Western Property; and
- LCP Transportation, Inc.'s September 30, 1988, ECRA Applicability/Nonapplicability Affidavit to NJDEP, which describes the Site as a "22 acre facility, which was constructed by GAF *in the mid to late 1950's*" and thus, again, after DuPont's ownership of the Western Property.

The Eastern Property

The Eastern Property is outlined in blue on the Exhibit A and marked as "36.307 ac. DuPont to G.A.F., 7-9-63, D.B. 2648 Pg. 319, Grasselli to DuPont, 10-31-36 D.B. 1330 Pg. 321." As with the Western Property that portion of the parcel that falls within Exhibit A's red outline lies within the boundaries of the Site. Again, however, the evidence suggests that no

¹ I. G. Farben had changed the name of Grasselli Dyestuffs to General Aniline Works, Inc. ("General Aniline") in 1929.

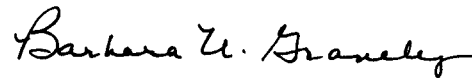

operations and no disposal took place on the Eastern Property prior to DuPont's sale of that parcel to GAF on July 9, 1963.

The portion of the Arthur Kill, N.Y.-N.J. USGS Quadrangle map that is marked in black on Exhibit C shows no development on the Eastern Property as of 1966, three years after DuPont sold that parcel. Moreover, the revisions to the same USGS map shown in magenta demonstrates that, as of 1981, still no operations were taking place on that portion of the Eastern Property that underlies the Site.

Thus, the evidence indicates that no operations or disposal occurred on either the Western Property or the Eastern Property during DuPont's ownership of those parcels. Accordingly, DuPont is not a "person who at the time of disposal of any hazardous substance owned or operated [the Site]," and it did not "arrange[d] for disposal or treatment...of hazardous substances [at the Site]." 42 U.S.C. Section 9607 (a)(2),(3). Therefore, DuPont respectfully declines to enter into any Administrative Consent Order to perform the Site's RI/FS.

We would be pleased to meet with you regarding this information at your request.

Very truly yours,

A handwritten signature in cursive script, reading "Barbara U. Gravely".

LCP CHEMICALS, INC. SUPERFUND SITE
LINDEN, NEW JERSEY**

E. I. du Pont de Nemours and Company

- b. State the name and address of the president or the chairman of the board, or other presiding officers of your business.

**Charles O. Holliday, Jr.
Chairman, CEO and President
1007 Market Street
Wilmington, DE 19898**

- c. Identify the state of incorporation of your business and your business agent for service of process in the state of incorporation and in New Jersey.

Incorporated in the State of Delaware in September 1915. For Delaware, E. I. du Pont de Nemours and Company serves as its own registered agent located at 1007 Market Street, DuPont Bldg. 8048, Wilmington, DE 19898, Attention: Corporate Secretary or Assistant Secretary

The registered agent for New Jersey is CT Corporation System, 820 Bear Tavern Road, West Trenton, NJ 08628

- d. Provide a copy of your business "Certificate of Incorporation" and any amendments thereto.

Attached.

- e. If your business is a subsidiary or affiliate of another company, or has subsidiaries or is a successor to another company, identify these related companies. For each related company, describe the relationship to your business and indicate the date and manner in which each relationship was established.

The DuPont Company is not a subsidiary or affiliate of another company. It is a Fortune 500 company that has been in business nearly 200 years. During

the time, DuPont has been affiliated with many other entities through acquisition or merger; it has also subsequently divested itself of entities. DuPont will be pleased to supply information on any specific entity upon request.

2. Does the business entity identified in Question 1 above have a permit or permits issued pursuant to the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 *et seq*? Also, if any of the business entities identified in Question 1 above has/had an EPA Identification Number, state it in your answer to this Question.

The DuPont Company currently operates at over 60 locations throughout the United States; historically the number is much larger. It would be very onerous to answer this question and also not relevant to the concerns addressed in this Information Request.

The EPA Identification Number for the Grasselli Plant in Linden is NJD002185965.

If the Agency is interest in the number for any other plant location, it will be given upon request.

3. Do you currently own, operate, lease, or maintain, or have in the past owned, operated, leased, or maintained any real property at the LCP Chemicals, Inc. Site? Provide all relevant documentation, including leases, deeds, or other materials which relate to such premises.

DuPont does not currently own or operate any real property at the LCP Chemicals, Inc. Superfund Site (the "LCP Site" or the "Site"). In the past, however, DuPont owned part of the Site. DuPont acquired title to a portion of the LCP Site on December 1, 1928, when it purchased the assets of The Grasselli Chemical Company (Ohio). Although DuPont immediately transferred the Grasselli (Ohio) assets to its wholly owned subsidiary, The Grasselli Chemical Company (Delaware), it reacquired title to the same portion of the Site on October 31, 1936, when the Grasselli (Delaware) subsidiary dissolved and the Grasselli Chemicals Department of DuPont assumed ownership of its assets. On September 15, 1949, DuPont then sold its portion of the LCP Site to General Aniline & Film Corporation ("GAF").

Throughout DuPont's 1928 through 1949 period of ownership, no operations took place on the LCP Site. Indeed, the evidence suggests that GAF did not construct the first of two chlorine plants at the Site until at least 1952. That evidence includes USEPA Region II's own August 12, 1996 Removal Site Evaluation for the LCP Site. In the evaluation, USEPA states that "GAF had produced chlorine and sodium hydroxide at this location since 1952." An April 6, 1949 resolution of the DuPont Executive Committee confirms USEPA's conclusion. The resolution describes the parcel to be sold to GAF on September 15, 1949 as "idle land." LCP Transportation, Inc.'s September 30, 1988 ECRA Applicability/Nonapplicability

Affidavit to NJDEP also describes the LCP Site as a “22 acre facility, which was constructed by GAF in the mid to late 1950’s.” Thus, GAF did not build its chlorine production facilities and no operations occurred at the Site until, at the earliest, 1952, three years after DuPont sold its portion of the Site on September 15, 1949.

Upon information and belief, the United States Government assumed ownership of a large portion of the LCP Site in 1942 when the Alien Property Custodian seized ownership and control of GAF. Indeed, on February 16, 1942, Secretary of Treasury Henry Morgenthau seized 97% of the GAF's stock under the authority of the Trading with the Enemy Act and with the approval of President Roosevelt. GAF's property, which included 100 acres of land at the Site, was then transferred to the office of the Alien Property Custodian and Leo T. Crowley was appointed to run the company.

After it's seizure, GAF began manufacturing carbonyl iron powder for use by the United States in World War II. The company also held government contracts on dyes for military uniforms and produced photographic and moving picture film. However, no evidence exists to suggest that GAF produced chlorine, for the United States Government or otherwise, in the 1940s.

Still under the control of the Alien Property Custodian, GAF apparently constructed a chlorine facility on the LCP Site in the early 1950s. That facility had a 50 million pound capacity, but construction on a second facility adjacent to the original plant began in 1961. The second facility started up in 1963 with a capacity of 180 million pounds. The original chlorine plant was slated to reopen in 1964, and, by 1965, the second, newer facility was itself producing 200 million pounds annually.

In the 1960s, GAF also continued to manufacture dyes to produce photographic and film products under United States control. The dyes included Azos, Vats, Azoics, Synthetics, Brighteners, Pigments, Organic Intermediates and Reactive Dyes, and other products manufactured by GAF included surfactants and detergents, bulk chemicals (principally chlorine, caustic soda, ethylene oxide, and ethylene glycols), and reproduction equipment.

A description of GAF's Linden facilities in 1964 indicated the presence of forty manufacturing buildings producing pigments, dyestuffs, surfactants, organic intermediates and heavy chemicals. The surfactant, pigment and organic intermediate facilities were "not particularly modern," and the dyestuffs operations, estimated to date back in the 1920s, were "typically unimpressive." The second chlorine plant and the 60 million pound capacity ethylene oxide plant built in 1958 were "modern," had "an excellent appearance," and "operate[d] continuously."

17. Please supply any and all other documents that indicate or show a business relationship(s) between various business entities that had any kind of connection to the LCP Chemicals, Inc. Site, whatsoever it may be.

DuPont does not have any documents responsive to this question, other than those received from USEPA in response to a FOIA request.

18. State the name(s), addresses(s), telephone numbers(s), titles(s) and occupations(s) of the person(s) answering this "Request for Information" and state whether such person(s) has personal knowledge of the answers.

The Board of Directors may from time to time authorize the issuance of additional shares of Preferred Stock as \$4.50 Series Stock.

(b) The shares of \$4.50 Series Stock shall bear dividends at the rate of Four Dollars and Fifty Cents (\$4.50) per annum from and after April 25, 1947, provided, however, that any shares of said Series issued after April 25, 1947 shall bear dividends from and after such date or dates as the Board of Directors from time to time may determine.

(c) In the event of any liquidation or dissolution or winding-up of the corporation, whether voluntary or involuntary, the Preferred Stock—\$4.50 Series shall entitle the holders thereof to be paid, in the event of any involuntary liquidation or dissolution or winding-up of the corporation, One Hundred Dollars (\$100.00) per share with all unpaid accumulated dividends thereon to the date of such payment or, in the event of any voluntary liquidation or dissolution or winding-up of the corporation, One Hundred Fifteen Dollars (\$115.00) per share with all

unpaid accumulated dividends thereon to the date of such payment.

- (d) The Preferred Stock—\$4.50 Series shall be subject to redemption on or before April 25, 1952 at One Hundred Twenty-five Dollars (\$125.00) per share and accumulated dividends thereon to the date of redemption, and thereafter at One Hundred Twenty Dollars (\$120.00) per share and accumulated dividends thereon to the date of redemption, upon the terms and in the manner as hereinafter provided.

III. Authority is hereby expressly granted to the Board of Directors of the corporation, subject to the provisions of this Article FOURTH, to authorize the issue of one or more series of Preferred Stock in addition to the \$4.50 Series and with respect to each such series to fix by resolution or resolutions providing for the issue of such series:

- (a) The number of shares to constitute such series and the distinctive designation thereof;
- (b) The dividend rate on the shares of such series and the date or dates from which dividends shall accumulate;
- (c) The amount per share over and above any accumulated dividends thereon which the shares of such series shall be entitled to receive upon redemption;
- (d) The amount per share over and above accumulated dividends which such series shall be entitled to receive (1) upon involuntary liquidation or dissolution or winding-up of the corporation, which amount shall not exceed \$100.00 a share, and (2) upon voluntary liquidation or dissolution or winding-up of the corporation; and

-
-
- (e) The rights, if any, which the shares of such series may have for conversion into shares of any other class or classes or any other series of the same or any other class or classes of stock of the corporation.

All shares of any one series of Preferred Stock shall be identical with each other in all respects, except that shares of any one series issued at different times may differ as to the dates from which the initial dividends thereon shall accumulate; and all series shall rank equally and be identical in all respects, except as permitted in the foregoing provisions of this Section III.

IV. The Preferred Stock shall entitle the holders thereof to receive, when and as declared from the surplus or net earnings of the corporation, cumulative dividends, payable quarterly on such dates as the Board of Directors may determine, at the rates fixed herein or fixed by the Board of Directors for the respective series, as herein provided, and no more, which dividends shall be paid or set apart before any dividend shall be set apart or paid on the Common Stock. The dividend payment dates for all series of Preferred Stock shall be the same and no dividends shall be declared on any series in respect of any quarterly dividend payment unless there shall likewise be or have been declared on all shares of Preferred Stock of each other series at the time outstanding like proportionate dividends ratably in proportion to the respective annual dividend rates fixed therefor.

V. In the event of any liquidation or dissolution or winding-up of the corporation, whether voluntary or involuntary, the Preferred Stock shall entitle the holders thereof to be paid the amounts fixed herein or fixed by the Board of Directors for the respective series as herein provided, including all unpaid accumulated dividends thereon to the date of such payment, before any amount

shall be paid to the holders of the Common Stock of the corporation.

Such payments to the holders of the Preferred Stock shall be made without preference or priority of one series over any other series and shall be made before any amount shall be paid to the holders of the Common Stock. If the assets of the corporation distributable upon any such liquidation or dissolution or winding-up of the corporation shall be insufficient to permit the payments to the holders of the Preferred Stock of the full amounts above provided for, including an amount equivalent to all unpaid accumulated dividends as aforesaid, the said assets shall be allocated to the respective series of Preferred Stock in the ratios that such aggregate liquidation value of the issued shares of each series bears to the aggregate liquidation value of the issued shares of all series of Preferred Stock as fixed for the respective series of Preferred Stock in the Certificate of Incorporation or in the resolution or resolutions of the Board of Directors providing for the issuance of the respective series, and shall be distributed among the holders of the respective series of Preferred Stock according to their respective shares.

VI. The Preferred Stock of any series shall be subject to redemption at any time in whole or in part at the amount fixed herein, or fixed by the Board of Directors as herein provided, for the redemption of such series including an amount equivalent to all unpaid accumulated dividends thereon, upon not less than sixty days' notice addressed to the respective holders of record of the stock to be redeemed at their addresses as the same shall appear on the stock transfer records of the corporation in such manner as the Board of Directors shall determine.

VII. The holders of the Preferred Stock shall have no voting power on any questions whatsoever except as otherwise provided by law, and except that in the event

that the corporation shall fail to pay any dividend on the Preferred Stock when it regularly becomes due and such default shall continue for the period of six (6) months, then until but not after such time as accumulated and unpaid dividends on all outstanding Preferred Stock of all series shall have been paid, the holders of the outstanding Preferred Stock shall have the exclusive right, voting separately and as a class, to elect two directors or, if the total number of directors of the corporation be only three, then only one director, at each meeting of the stockholders of the corporation held for the purpose of electing directors. At all meetings of stockholders held for the purpose of electing directors at which the holders of Preferred Stock shall have the exclusive right, voting separately and as a class, to elect any directors as aforesaid, the presence in person or by proxy of the holders of a majority of the outstanding shares of Preferred Stock shall be required to constitute a quorum of such class for the election of any directors by holders of Preferred Stock, as a class, provided, however, that the absence of a quorum of the holders of Preferred Stock shall not prevent the election at any such meeting or adjournment thereof of the remaining directors for whose election a class vote of the holders of Preferred Stock is not required, if the necessary quorum of the stockholders entitled to vote in the election of such remaining directors is present in person or by proxy in accordance with the by-laws of the corporation; and provided further, that in the absence of a quorum of the holders of Preferred Stock, a majority of those holders of such Preferred Stock who are present in person or by proxy shall have power to adjourn the election of those directors to be elected by their class from time to time without notice other than announcement at the meeting until the requisite amount of holders of Preferred Stock shall be present in person or by proxy.

The holders of Common Stock shall have the right to

vote on all questions to the exclusion of all other stockholders except as hereinbefore specifically stated.

VIII. Whenever, at any time, full accumulated dividends as aforesaid for all past dividend periods and for the current dividend period shall have been paid, or declared and set apart for payment, on the then outstanding Preferred Stock, the Board of Directors may declare dividends on the Common Stock of the corporation.

IX. Upon any liquidation or dissolution or winding-up of the corporation, whether voluntary or involuntary, the assets and funds of the corporation remaining, after the payments have been made to the holders of the Preferred Stock, as provided in Section V hereof, shall be divided and paid to the holders of the Common Stock according to their respective shares.

X. From time to time the Preferred Stock or the Common Stock may be increased according to law.

XI. From time to time the Preferred Stock and the Common Stock may be issued in such amounts and proportions and for such consideration as may be fixed by the Board of Directors, or, in the case of Common Stock issued upon the exercise of the options referred to in Section XIII hereof, as provided in such Section.

XII. No stockholder of the corporation, of whatever class or series, shall have any preemptive or preferential right of subscription to any shares of any series of the Preferred Stock of the corporation, authorized hereunder or under any amendment hereof, or to any obligations convertible into said Preferred Stock of any series of the corporation, issued or sold, nor any right of subscription to any thereof other than such, if any, as the Board of Directors of the corporation in its discretion from time to time may determine, and the Board of Directors may issue said Preferred Stock of any series of the corporation, or

obligations convertible into said Preferred Stock of any series, without offering said Preferred Stock, or said obligations, either in whole or in part, to any stockholders of the corporation.

No holder of any shares of the Preferred Stock of any series of the corporation shall have any preemptive or preferential right of subscription to any shares of stock of any class of the corporation, or to any obligations convertible into shares of stock of any class of the corporation, issued or sold, nor any right of subscription to any thereof other than such, if any, as the Board of Directors of the corporation in its discretion from time to time may determine.

XIII. The Board of Directors may create and issue to employees (including officers and directors) of this corporation, or of any corporation in which this corporation shall directly or indirectly own fifty per cent or more of the voting stock, options to purchase the corporation's Common Stock in accordance with the terms of any duly adopted compensation plan. The shares of stock so optioned may be unissued, or issued and reacquired shares of Common Stock of the corporation, as shall be determined by the Board of Directors, and the Board shall have power to take all action necessary and appropriate in connection with any such issuance or sale of shares. The options shall be evidenced by such instruments as shall be approved by the Board of Directors. The terms upon which, the time or times at or within which, and the consideration for which such options may be issued, and for which any shares of stock may be issued or sold by the corporation upon the exercise of such options, shall be such as shall be stated in the resolution or resolutions adopted by the Board of Directors providing for the creation and issuance of such options and, in every case, set forth or incorporated by reference in the instrument or instruments evidencing

such options. The judgment of the Board of Directors as to the consideration and sufficiency thereof for the issuance of such options and for the issuance or sale of stock pursuant to the exercise thereof shall be conclusive.

Any standing committee duly designated by resolution passed by a majority of the whole Board of Directors and consisting of two or more of the directors, shall have and may exercise any or all of the rights, powers and functions of the Board of Directors specified in this Section XIII, or otherwise pertaining to any duly adopted compensation plan, to the extent provided in a resolution passed by a majority of the whole Board or in the By-Laws of the corporation.

XIV. The amount of capital stock with which this corporation will commence business is Seventy-five Hundred Dollars (\$7500).

Fifth:—The names and places of residence of each of the original subscribers to the capital stock and the number of shares subscribed for by each are as follows:

<i>Name</i>	<i>Residence</i>	<i>Number of Shares</i>
Pierre S. du Pont	Christiana Hundred, Delaware,	25
John J. Raskob	Brandywine Hundred, Delaware,	25
John P. Laffey	Wilmington, Delaware,	25

Sixth:—The corporation is to have perpetual existence.

Seventh:—The private property of the stockholders shall not be subject to the payment of corporate debts to any extent whatever.

Eighth:—The number of the directors of the corporation shall be fixed from time to time by the by-laws and the number may be increased or decreased as therein provided.

In case of any increase in the number of directors the additional directors shall be elected as provided by the By-laws by the directors or by the stockholders at an annual or special meeting.

In case of any vacancy in the Board of Directors for any cause the remaining Directors by affirmative vote of a majority of the whole Board of Directors may elect a successor to hold office for the unexpired term of the Director whose place is vacant and until the election of his successor.

In furtherance, but not in limitation of the powers conferred by law, the Board of Directors are expressly authorized:

(a) To hold their meetings outside of the State of Delaware at such places as from time to time may be designated by the By-laws or by resolution of the Board. The By-laws may prescribe the number of directors necessary to constitute a quorum of the Board of Directors, which number may be less than a majority of the whole number of directors.

(b) To appoint the regular officers of the corporation, and such other officers as they may deem necessary for the proper conduct of the business of the Company.

(c) To remove at any time any officer elected or appointed by the Board of Directors but only by the affirmative vote of a majority of the whole Board of Directors.

(d) To remove any other officer or employe of the corporation or to confer such power on any committee or superior officer of the corporation, unless such removals are otherwise regulated by the By-laws.

(e) To appoint standing committees by the affirmative vote of a majority of the whole Board, and such standing committees shall have and may exercise such powers as shall be conferred or authorized by the By-Laws.

(f) To issue the stock of every class in such amounts and proportions as they may determine up to the total amount of the authorized capital stock or any increase thereof, subject, however, to the provisions of this certificate.

(g) From time to time to fix and determine and to vary the sum to be reserved over and above its capital stock paid in as working capital before declaring any dividends among its stockholders; to direct and determine the use and disposition of any surplus or net profits over and above the capital stock paid in; to fix the time of declaring and paying any dividend, and, unless otherwise provided in the By-laws, to determine the amount of any dividend. All sums reserved as working capital or otherwise may be applied from time to time to the acquisition or purchase of its bonds or other obligations or shares of its own capital stock or other property to such extent and in such manner and upon such terms as the Board of Directors shall deem expedient, and neither the stock, bonds or other property so acquired shall be regarded as accumulated profits for the purpose of declaring or paying dividends unless otherwise determined by the Board of Directors, but shares of such capital stock so purchased or acquired may be resold, unless such shares shall have been retired for the purpose of decreasing the Company's capital stock as provided by law.

(h) From time to time to determine whether and to what extent, and at what times and places, and under what conditions and regulations the accounts and books of the

corporation, or any of them, shall be open to the inspection of the stockholders, and no stockholders shall have any right to inspect any account or book or document of the corporation, except as conferred by statute or authorized by the Board of Directors or by a resolution of the stockholders.

(i) Subject always to By-laws made by the stockholders, to make By-laws; and, from time to time, to alter, amend or repeal any By-laws; but any By-laws made by the Board of Directors may be altered or repealed by the stockholders at any annual meeting, or at any special meeting, provided notice of such proposed alteration or repeal be included in the notice of the meeting.

(j) With the written assent, without a meeting of the holders of two-thirds of its stock, or pursuant to the affirmative vote, in person or by proxy, at any meeting called as provided in the By-laws, of the holders of two-thirds of its stock, issued and outstanding, the Board of Directors may sell, convey, assign, transfer or otherwise dispose of, the property, assets, rights and privileges of the corporation as an entirety, for such consideration and on such terms as they may determine.

Ninth: — A director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the General Corporation Law of Delaware, or (iv) for any transaction from which the director derived any improper personal benefit. If the General Corporation Law of Delaware is amended after approval by the stockholders

of this article to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the corporation shall be eliminated or limited to the full extent permitted by the General Corporation Law of Delaware, as so amended.

Any repeal or modification of the foregoing paragraph by the stockholders of the corporation shall not adversely affect any right or protection of a director of the corporation existing at the time of such repeal or modification.

4. This Restated Certificate of Incorporation was duly adopted by the Board of Directors in accordance with Section 245 of the General Corporation Law of the State of Delaware.

5. This Restated Certificate of Incorporation shall be effective at 5:00 p.m. Eastern Standard Time on December 22, 1989.
